CLARENCE L. PERKINS, Treasurer.

AUDITOR'S REPORT.

The undersigned, Auditor of School District of Newbury has examined the accounts of the Treasurer of the School Board, compared his vouchers cast his figures and find them correct.

JOHN H. GILLINGHAM, Auditor.

Report of School Board,

TO THE CITIZENS OF NEWBURY TOWN SCHOOL DISTRICT.

There have been maintained in town, during the year, five schools. There has been an aggregate of 112 weeks of school the past year, and 70 children have received instruction.

There have been nine different teachers employed, and, with two exceptions, they have been teachers of experience. several of them having taught the same school several terms, and been generally successful.

We believe that the faithful and conscientious discharge of duty on the part of teachers has been the general rule, and not the exception.

We urge parents and citizens to visit our schools, make themselves familiar with their work, and give teachers a hearty support in all matters of discipline. Without good discipline, good schools are impossible.

Arrangements were made with the Bradford School Board the same as last year.

The Truant officer reports forty-two boys, and twenty-eight girls.

GEORGE J. MESSER,	} School Board
NATHAN S. JOHNSON,
